

Have we got news for you?

The good news of the gospel is about Jesus Christ, who restores the image of God broken by sin and commissions a new

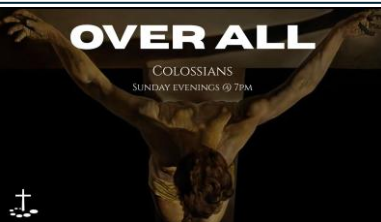

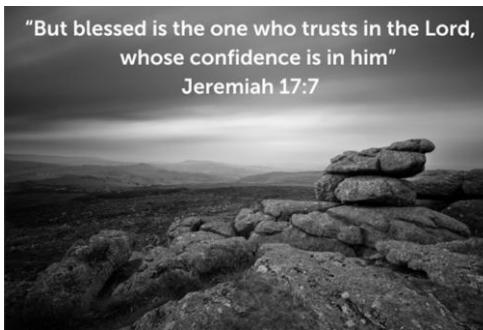

humanity, released from the power of sin and death, to live as witnesses to the wonder of God's redemptive work and to what it is to be truly human. The good news of the gospel is about not only the restoration of a broken image but also the restoration of a broken relationship. It deals with the barrier of sin and death and creates the church as a new people in Christ. It communicates that God is with us. It speaks to the present and opens the future. And it does much more... It is wonder-full.

This series speaks about the intention for humanity, the fall of humanity and a new humanity. It speaks not just of what we have been saved from, but what we have been saved for. It centres on the unique work of Christ at the Cross and throughout the resurrection.

Breaking News

Join us on Sunday mornings, during Advent, as we anticipate our celebration of the birth of Christ. More information to follow...

HopePeaceJoyLove

Our evening service teaching series will approach Christmas looking at the four traditional Advent themes of Hope, Peace, Love and Joy. The series looks at the anticipation that is expressed in Advent. Christ has come, God's representative has arrived, but his vocation has not yet been lived out. God *is* present. Hope, peace, love, and joy are anticipated in Advent as we remember the incarnation.

Christmas is a wonderful time to share with friends and colleagues the good news of Jesus' birth. Our Christmas events give opportunity to do this in various ways. Please pray and invite. Look out for:
